

Since I registered for the NJ Do Not Call List the number of sales calls I receive have decreased by about 90%. Please do not repeal the tough restrictions on unsolicited calls. I barely have enough time for my family as it is. the last thing I need is someone trying to sell me chimney sweeping service when I don't even have a fireplace. I have tried to ask these people to take me off the call list but that has never worked! I was also receiving 3-7 unsolicited faxes daily, wasting not only my time but my paper and ink for my fax machine. Thank you!
